The number listed next to "SQ" on a team's roster is the session that team qualified for City Cup (1 is Summer, 2 is Fall, and 3 is Spring). If there is no number, the team has not qualified yet. Divisions with less than 10 teams will qualify 1 team, and Divisions with 10 or more will qualify 2 teams. Twice as many qualify in Summer Session. Qualification is handed down to the next team, in points standing, if the team(s) that wins Finals is already qualified. "City Cup" is the Local Team Championship Tournament held every Spring - Winning team goes to Las Vegas to compete!
